

WYNNUM STATE HIGH SCHOOL

Sports Awards Presentation 2016

A message to Sports Awardees from the Sports Coordinator

Congratulations to all Sports Awardees on the results you have achieved in 2016! You have brought credit to your school, your peers, your families and yourselves. Well done!

Wynnum State High School has a PROUD sporting history and your achievements this year have added another valuable chapter to the story. This was the second year Wynnum SHS participated in the Bayside District school sporting competition, where 12 schools competed in a tough competition. All of our teams demonstrated tremendously PROUD attributes as ambassadors for our school. Finally, we emerged as the District Premiers for Year 8 Rugby League.

Wynnum State High School acknowledges the tireless support provided by all sporting coaches, staff, and especially the effort by each student every time they compete for the school. Wynnum High would also like to thank the supporting associations and sporting providers in the local community.

Anthony Bannerman
Sports Coordinator
